

8th International Meeting on Taphonomy and Fossilization

14-17th September 2017

University of Vienna, Austria

Website: <http://taphos2017.univie.ac.at/>

Every few years the International Meeting on Taphonomy and Fossilization brings together palaeontologists, archaeologists, biologists and sedimentologists as well as other researchers interested in all of aspects of taphonomy, the study of decay and fossilization of organisms.

Previous Taphos meetings have been held in Madrid 1990, Zaragoza 1995, Valencia 2002, Barcelona 2005, Granada 2008, Tübingen 2011 and Ferrara 2014.

The upcoming conference will take place at the University of Vienna (Geocenter, UZA II building). Vienna is the capital of Austria and located in the heart of Europe. It can easily be reached from almost all parts of the world and is famous for its culture and friendly atmosphere.

Contributions to all aspects of taphonomy and across the tree of life are welcome and may include biostratigraphy, fossil diagenesis, taphofacies, exceptional preservation and fossil lagerstätten, taphonomy and sequence stratigraphy, microbial taphonomy, archaeology, prehistory, ichnology, historical ecology and conservation paleobiology.

Registration fees

Early registration	€ 230.-
Early student registration	€ 180.-
Regular registration	€ 260.-
Regular student registration	€ 210.-
Accompanying person	€ 130.-
Pre-meeting excursion	€ 60.-
Post-meeting excursion	€ 50.-

Early registration open until May 30th

Regular registration open until July 15th

Register online at <http://taphos2017.univie.ac.at/>

Registration fees include

- Participation to the scientific programme
- Participant's kit
- Coffee breaks
- Icebreaker party
- Barbecue
- Congress dinner

Registration fees of accompanying persons include

- Icebreaker party
- Barbecue
- Congress dinner

Cancellation fee 70% refund until end of May, no refund after June 1st

Excursions

Minimum 20, maximum 40 participants

Pre-meeting: 14th September, Neogene of the northern Vienna basin and Eggenburg

Post-meeting: 17th September: Neogene of southern Vienna basin

Abstracts

Submit your abstract in electronic format to taphos2017.pal@univie.ac.at

For details on formats visit the congress website: <http://taphos2017.univie.ac.at/>

Important dates

Registration deadline for congress and excursions **15th July 2017**

Abstract submission deadline **30th June 2017**

Organizing Committee

Martin Zuschin (University of Vienna)

Mathias Harzhauser (Natural History Museum Vienna, Austria)

Scientific Committee

Paolo G. Albano (University of Vienna, Austria)

Julio Aguirre (University of Granada, Spain)

Davide Bassi (University of Ferrara, Italy)

Björn Berning (Oberösterreichisches Landesmuseum, Linz, Austria)

Juan Carlos Braga (University of Granada, Spain)

Stefano Dominici (University of Florence, Italy)

Andreas Kroh (Natural History Museum Vienna, Austria)

James H. Nebelsick (University of Tübingen, Germany)

Jörn Peckmann (University of Hamburg, Germany)

Adam Tomasovych (Slovak Academy of Sciences, Bratislava, Slovakia)

Scientific Program

14th September: Excursion to Neogene of northern Vienna basin and Eggenburg

15th September: talks and poster session

16th September: talks and poster session

17th September: Excursion to Neogene of southern Vienna basin

Social Program

14th September: Icebreaker party (Natural History Museum)

15th September: Evening barbecue at the University

16th September: Dinner at a Viennese Heurigen (traditional wine tavern)

Flight Offer

Special Austrian Airlines Offer

Book your flights to the "8th International Meeting on Taphonomy and Fossilization" online at www.austrian.com and save 15 % on all applicable fares!

For details visit the congress website: <http://taphos2017.univie.ac.at/>

Accommodation

The organizers of the conference have pre-selected hotels for the benefit of its participants.

For details visit the congress website: <http://taphos2017.univie.ac.at/>
